- The information provided to you in this document is limited to the mutual fund products that are being distributed/promoted by AM investment Advisors & Associates as a distributor. Clients may also consider other alternate products, which are not being offered by AM investment Advisors before making investment decision.
- You are requested to refer to the disclosures made in the KIM/SID/SAI/Fact Sheet relating to general risks of investing through mutual fund schemes as well as scheme specific risks such as (i) returns being subject to market risk including loss of capital on account of market volatility, force majeure events, changes in political and economic environment, default by issuers of securities to mutual funds, bankruptcy or insolvency of issuers and potential segregation of portfolio by AMC in such circumstances; (ii) suspension of redemption facility in case the scheme faces liquidity crisis; (iii) risks associated with subscription to new fund offering of the scheme such as price volatility risk, liquidity risk and delisting risk; (iv) winding up of schemes on account of illiquid instruments, higher volume of redemption requests from the investors or on account of unforeseen market events.
- Mutual Fund investments are not guaranteed or assured return products. Investment in mutual funds may expose the entire principal amount to the risk of loss.
- Please refer to the below link for details of commission received by AM investment Advisors and Associates for various MF schemes.
